Dear Michael,

I am sorry for the lack of communication. I had hoped to get this on the 5th June agenda but yours was not the oldest and those that were older were majors and took a long time to write. I am therefore aiming to take yours to the July Meeting (10/07/19). Yours is the third oldest of the four that I need to get to that meeting so it should be achievable. Please can we agree an extension of time to 12th July. Thank you.

Kind Regards

Importance: High

Simon,

Are you able to give me an update on the application please as the decision date of the 1st May has long since passed and you have not requested an extension of time.

Is the application likely to go to committee and if so will it be heard at the next committee on 5th June?

My client has requested an update following the last letters of support were received on 24th April.

Kind regards,

Michael Wood
