Subject: planning application number PP-03168905

Hello, my name is Matt I am from Bognor Regis area and on behalf of a big community of athletes that seek adventure on urethane wheels, We would like to express our feeling about the proposed skate park. This would open doors in the community and really place us on the map. Effectively creating a better future for the Town. I simply could not see a more enlightening path to lead upon.

Thank you for reading.

Matthew Brogan.

100% -Yes to planning application number PP-03168905.
