Subject: Planning for BN175LF

Dear Simon,

I am writing to you to let you know my views on the planning application for THE BASE in Bognor Regis.

I cannot believe that you are saying it would encourage pedestrians to cross the A29 where there are no appropriate crossings, however you were more than happy to put a mcdonalds there. And not deal with that issue when you allowed that to be built.

There is such a big need for facilities for young people in Bognor and the people behind THE BASE are trying to do something really good. I feel lots of people would benefit from this happening extra jobs, health and fitness for the children and somewhere to go.

I hope you take people's points on board and have a re think.

Many thanks

Mrs Laura Osborne
