Subject: PLANNING APPLICATION BE/32/14 BASE SKATEBOARD PARK

I am writing in support of the afore mentioned planning application to be considered by the Planning Committee of Arun District Council. It was with concern that I learned of a recommendation to reject this application and I would urge all concerned to oppose that recommendation. It is important that Bognor Regis and the surrounding area has this facility for its youth and I do hope that the application is supported by all. It will utilise space that is not currently in use and I feel that the reasons for rejecting the plans are not worthy of consideration when one considers the benefits to the community. I can recall a similar sporting venue being sited in an industrial estate in Lancing many years ago which was quite successful. All the objections I have heard about in respect of the Base were certainly not applicable to that venture. I trust my words of support will be added to others when the plans are considered.

Graham Jones
