Subject: The Base skateboard park.

Dear Mr Davis,

I am writing in support of The Base skateboard park project. It has local people very excited and I have been impressed by the enthusiasm and commitment of the team who set the venture up.

I see this as a much needed attraction in the town as well as an opportunity to provide a healthy and engaging pastime for our younger residents; I am wishing them every success.

Please advise on how ADC are intending to support this venture and I look forward to hearing from you.

Kind Regards

Cllr Kim Davis
