Dear Mr Davis,

As the District Commander for Chichester I would like to pledge my support to the proposed skate park in Bognor Regis. Whilst the proposed location is not on my district, it will service countless people from the Chichester area.

Within the current climate of reduced services, particularly relating to Youth Services, it is vital that we support and encourage new initiatives which support the local community and offer long term diversions for our young people. There is nothing of its kind in the area and would undoubtedly bring huge benefits to the local community.

In my previous role I was heavily involved in the planning and development of the Level Regeneration in Brighton. The skate park there has offered an outlet for hundreds of young people and has been a massive success.

I am aware of the level of support across both Arun and Chichester for this project and the funding pledges already given to the proposal. I add my full support to this project.

Yours sincerely,

Chief Inspector Justin Burtenshaw
Chichester District Commander
