

EDWARD BRYANT SCHOOL

London Road, Bognor Regis, West Sussex PO21 1BG

Headteacher: Mrs Cathy Williams

12th June 2014

To whom it may concern

Planning Permission for The Base

As the Headteacher of Edward Bryant School, a large primary school with nearly 500 pupils on roll, in the town centre of Bognor Regis, I am writing to give my support for this exciting and much needed development.

Our town has very few, all weather, low cost play facilities. The Base will appeal to many young people across the whole locality, offering them a safe and supervised environment in which to learn to take risks, take exercise, meet with friends and to have fun! Parents will know that their children are out enjoying themselves in a safe, expertly and specifically designed play environment.

Our young people deserve this marvellous facility to be built, as soon as possible.

Yours faithfully

Mrs Cathy Williams
Head teacher
