Extension: No:

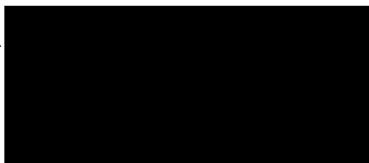

Dear Mr Davis,

As the Arun Police District Commander I would like to pledge my support to the proposed skate park in Bognor Regis and to highlight the necessity to provide facilities within the area to support the youth of today. It is essential that within the current climate of services being reduced we embrace new initiatives which support the long term benefits to the community.

Whilst I understand the issues around the change of use to the industrial unit, this provision has been vacant for a period of time and it would make sense to use it wisely rather than standing empty. This initiative has received support from many local business, local councillors and local residents but also has received funding from the Police and Crime Commissioner.

I send this letter to support the appeal for the planning application.

Yours sincerely,

Chief Inspector Pip Taylor
Arun District Commander
