Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2010 (as amended)

Change of use from publishers warehouse to indoor skate park
Unit 4 Oldlands Way Bognor Regis

Thank you for your internet representation made on 28th June 2014 which has been recorded as '**support**' with the comments as follows:

I am 71 years old and angry that the planning permission for the indoor skate park may be turned down. Someone has taken the trouble to do something for the young people of Bognor. I have bought up 3 girls and nothing was ever done to keep them occupied or provide activities for them. I have 9 grandchildren. Four of them ride BMX's and one in particular has to go to Corby for a good indoor skate park. Surely if we are spending money in Corby it would be better to bring money and visitors to Bognor. This skate park will employ trades people to build and staff to keep it running. I don't think there is a problem with safety in crossing busy roads as there is a pedestrian crossing with traffic lights by Sainsburys and there is then a cycle path to the skate park. The Police support the project and so do Sainsburys and Butlins and all have contributed towards the cost. Our grandson cycles regularly to Felpham to Larks and he has to go over many roads to get there. How many times have we seen young lads cycling the seafront up and down slopes, steps and kerbs? Surely its best to keep them off the streets and roads and the police know where they are. This is the first time in my life I have commented in this way but I feel so strongly about this subject. Good luck to the lady who is trying hard to do something for young people.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully
