Dear Leeza,

Thank you for the email.

This is what the application form states:-

4. Site Address Details	
Full postal address of the site (including full postcode where available)	
House:	Suffix:
House name:	Unit 2 Clock Park
Street address:	Shipway Road
Town/City:	BERKSTED
Postcode:	PO22 8NH
Description of location or a grid reference (must be completed if postcode is not known):	
Easting:	494184
Northing:	100883
Description:	

So we deal with the application on that basis. The red line location plan shows the unit behind 2A so there is little doubt which part of the building the application relates to. We can't change the address of the permission.

Regards,

Please can we clarify that the planning application BE/37/17/PL relates to Unit 2A clock Park, which is behind Unit 2. The applicant would like the permission to say Unit 2A as stated on all the information provided in the application. I think the misunderstanding has occurred because Unit 2 came up on the planning portal address system and not Unit 2A, which I then added.

Please can you advise.
