Hi David,

Following our call earlier, please take this email as confirmation of my clients agreement to an extension of time to next Tuesday (20 August) for the above applications in order to resolve the Natural England consultee response.

If you can confirm in the meantime as/when the other matters are agreed - namely that you have received response from drainage and parks. Please can you also send across the draft conditions as soon as you are able this week for our review.

Kind Regards,

Jen
