Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/37/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of 3 No existing lean-to structures, erection of single storey side & rear extension, loft conversion to form new 2nd floor with roof alterations to form gable end with rear dormer projection & detached outbuilding to be used as annexe to existing dwelling.

Thank you for your internet representation made on 18th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35144

Extremely concerned with regard to the separate extension which amounts to a bungalow in the grounds of a simple semi detached residence designed to accommodate families. The proposed works outline a probable 7 bedroom HMO and my second objection is on the grounds of insufficient parking space for a potential 7, maybe 10+ vehicles.

I feel that this constitutes over development of a residential site totally out of keeping for the area and would result in the potential number of vehicles causing unnecessary obstruction on a regular bus route.

Your views as made above will be considered before the application is determined.
