Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/37/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of 3 No existing lean-to structures, erection of single storey side & rear extension, loft conversion to form new 2nd floor with roof alterations to form gable end with rear dormer projection & detached outbuilding to be used as annexe to existing dwelling.

Thank you for your internet representation made on 20th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35248

I object to this application on these grounds.

1. There will be a issue with parking. We in South Way already have to park on the road due to a lack of off road parking and access to off road parking due to the curb layout. A 7 bedroom HMO will only add to this problem, being a main bus route and route to both Southway and the The Regis school's any extra vehicles parking in the road will hamper vehiclar access of South Way.
2. The houses in South Way date from the 1930's and as such have dated drainage systems that will struggle to cope with a 7 bedroom HMO.
3. The loss of privacy and the additional noise a 7 bedroom will bring to the surrounding properties is of concern as well.

Your views as made above will be considered before the application is determined.
