Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/37/21/HH
Site Address: 19 South Way Bersted PO21 5HB
Description of works: Removal of 3 No existing lean-to structures, erection of single storey side & rear extension, loft conversion to form new 2nd floor with roof alterations to form gable end with rear dormer projection & detached outbuilding to be used as annexe to existing dwelling.

Thank you for your internet representation made on 22nd April 2021 which has been recorded as an objection with the comments as follows:

OWPC35317

Although this is referred to as a "residential" application we feel there is a strong possibility the property will be used as a HMO particularly bearing in mind the omission of a kitchen which would be a necessity in residential accommodation. South Way is a busy residential road and is on a main bus route and as the Primary and Secondary schools are also located nearby this generates a considerable amount of traffic and when parents are dropping children off or picking them up they frequently park on both sides of the road preventing buses or lorries from getting through which causes major problems. We feel that adding into the mix a development of this size with no extra available parking will cause even more congestion. We also feel that by granting permission for this application a precedent will be set for future applications of this kind

Your views as made above will be considered before the application is determined.

Please make sure that you have only provided information that you are happy will be published in this way. Some applications will be determined by the Development Control Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
