

Norbren Avenue Resident

North Bersted

Bognor Regis

PO21 5HD

Dear Mr Gardener

Planning Application BE/37/21/HH

We oppose this application, the increased parking to Norbren Avenue is unacceptable, the occupancy of a potential 7 bedroom house would make us uncomfortable about the use of the dwelling and its purpose? In this residential area it would be very invasive and without doubt cause many problems to the already neighbouring properties struggling already.

Therefore, we ask that this application is declined giving thought and consideration to the residents surrounding this.

Kind regards

Norbren Avenue Resident
