

9 GREENWOOD AVENUE

Please reconsider letting Tesco take
over the pub that was called the
Rising Sun on Chichester Road!

If you lived in Bognor you would know
that any minor drama down Chichester Road
can cause terrible delays. People turning
into Tesco in that area would be a
very unwise thing to let happen.

There are three grocery stores very
near to here and it would do them a
great disservice.

The other thing is the noise that
will be caused by all of the delivery
lorries - most likely to be early morning.
That road is full of houses and it
would be very unfair on all of the
people living there.

Please! Please! think
again.
