Dear Sir/Madam

**FORMER RISING SUN PUBLIC HOUSE, 349 CHICHESTER ROAD,
BOGNOR REGIS PO21 5AN**

**PLANNING APPLICATIONS FOR ALTERATIONS TO THE FORMER
RISING SUN PUBLIC HOUSE AND ADVERTISEMENT CONSENT FOR
EXTERNALLY ILLUMINATED FASCIA SIGN, GANTRY SIGN AND CAR
PARK SIGNAGE**

On behalf of our client Tesco Stores Ltd, please find enclosed seven planning applications and two advertisement consent applications associated with the introduction of an Express convenience store at the above site.

Background to the Application Proposals

The ground floor at the application site has a lawful planning Use Class A4 (drinking establishments) and as such planning permission is not required to change its lawful use to Class A1 (retail). Consequently, the floorspace can be used as a Tesco Express without the need for planning permission. In association with the introduction of the Express format, minor development works are proposed which require the following consents:

- i) Planning permission for alterations to the ground floor frontage and creation of ramped access;
- ii) Planning permission for the installation of an ATM;
- iii) Planning permission for the installation of plant equipment;
- iv) Planning permission for installation of bollards to front of property;
- v) Planning permission for installation of chiller and freezer to rear of property;
- vi) Planning permission for erection of canopy to side of property;
- vii) Planning permission for erection of small single storey extension to rear of property to house staff welfare facilities;
- viii) Advertisement consent to display externally illuminated fascia signs; and
- ix) Advertisement consent to display gantry sign and car park signage.

The submitted Planning, Design and Access Statement demonstrates the works are considered appropriate as they comply with national and local planning policy and will enhance the appearance of the existing building and surrounding area by introducing low impact subtle alterations.

I look forward to confirmation of validation of the application. If, in the interim, you have any queries please do not hesitate to contact me or Matthew Roe at this office.

Yours faithfully,
