Dear Ross Leal,

I have spoken to Laura Gibbons by phone this morning and understand I need to contact you regarding Matt Lush's application to build 2 dwellings behind his four houses 17 19 21 and 23 Greencourt Drive, North Bersted, Bognor Regis.

I wish to object, not only because we and our neighbour's in Norbren Avenue will be so overlooked and crowded, but because there will be such parking issues in Greencourt Drive.

Matt Lush has explained to me that he only wants to build 2 single storey dwellings, but the latest application no longer mentions "single storey".

We are very concerned.

I look forward to your response,

Patricia and Christopher Adams
