Dear Stuart,

The Planning Committee met last night and have agreed to withdraw the objection on this application but would ask that Arun are confident the area allows for vehicle movements by the two proposed bungalows.

Kind regards

Hi Stuart,

I usually clerk for the Planning Committee, so I would have to ask them if they wanted to change their decision on this application. The committee meet next Tuesday 2 October, so I can let you know on Wednesday 3rd.

Kind regards

Debbie,

Further to my telephone message today, the officers would like to clarify that the plans for this application show x4 parking space allocations for the two new dwellings. This would appear to meet Policy HDQ8 of the Bersted Neighbourhood Plan. This is contrary to your earlier comments dated 8th May 2018.

As you may be aware Arun has some recent resource issues leading to a back log on application decisions.

This particular application sits on a list of **over 130day old decisions** which we would like to have determined as soon as possible.

As your objection automatically takes this application to committee we would kindly ask you to review your comments at your next opportunity.

Please can you confirm receipt of this email and give me an indication when the committee shall meet again please.....

Kindest of regards
