Subject: RE: Planning Consultation on: BE/38/19/PL

App No: BE/38/19/PL

Address: Adjoining site at 10 Acre Field west of Saltbox Rowan Way Bognor Regis

Proposal: Creation of temporary soil storage bund associated with development of adjoining site at Saltbox

Soil Stockpile

As detailed within the ecological report an 8m easement / buffer area will need to be included between the stockpile and the southern and eastern field boundaries.

Fencing should be used to protect the boundary features to ensure no works encroach on these areas and should tie in with the construction fencing required for the previous permission.

Works should proceed in a directional manner so the southern extent of the stockpile is created first and retained the longest to provide an additional buffer and screening.

Kind Regards

Liz
