Comment from Greenspace

The information submitted under Landscape and Ecological Management plan (relating to requirements of Condition 18 (outline matters) and 16 (full matters) imposed under planning permission BE/102/17/OUT provides suitable and comprehensive detail to be able to recommend the discharge of these conditions under this application BE/3/19/DOC.

Hard landscaping proposals would also appear suitable for purpose and location and therefore would recommend the discharge of condition 13 under application BE/3/19/DOC
