Dear Sir/Madam,

Re:BE/3/20/HH

Further to your letter dated 4th February 2020 please accept this email as approval to the amended description and find attached the revised block plan. This has the rear boundary dimension added and checked the size and shape of the proposed extension on the block plan against the proposed plans and this is accurate as per the attached pdf file LH1bp Block plan v2.

Please do not hesitate to contact me if you require any further information.

Kind regards
Mark
