Dear Richard,

The attached photos I hope show you what you need (these are all I have) – there is a 1.8 metre fence at the boundary of No. 19 Hawks Place and to the southern boundary. The existing rear access by the garage will remain – see photo.

I hope this helps.

Kind regards,

Chris Moore

Hi Chris,

Many thanks for these photos. Do you have any photos from the rear garden area so you would be looking from that angle towards the property to east? So I can see from that angle?

Also – what is the boundary treatment on the southern boundary? And what height is the boundary treatment?

Also can you confirm – will there be access remaining to the rear garden area – on Proposed Ground floor plan shows a gap remaining to northern boundary wall but block plan does not show this gap?

Thanks

Richard

Dear Sir / Madam,

I am looking over your application for extensions at the above property. I have not been able to undertake a site visit to this property therefore please can you send me in some site photos of the existing property and location of proposals please?

Thanks

Regards

Richard
