Dear George

Thanks very much for your email. I am not personally involved in the Bartons Infant School application, and this is with my colleague, Daniel Vick.

My only involvement is an indirect one and is in relation to my role as ADC's Head of Development Management. I noted that the application has been with us for some time, and I was simply seeking your client's kind agreement to an Extension of Time. The period in which they could make an appeal against non-determination has long since passed, so I don't believe this would prejudice their position in taking this application forward to determination.

Any discussions on the specifics of the application itself or the likely Committee date should go through Daniel. Thank you.

Kind regards

Morning Zac,

We had a team conference yesterday where we discussed our various projects: I hadn't realised you have been working with Leanne and the wider Lovell team on other projects too.

ARUN DISTRICT COUNCIL BE/40/22/PL

For Bersted, I'm not sure how much of the history you know about the site / how up to speed you are with the latest developments.

- Is it worth a quick informal catch up with Phil, Leanne and myself?

Kind regards,

George

Dear Mr Small

I would appreciate a response to my email, below. I understand that my colleague, Dan Vick, has previously also requested your agreement to an extension of time but has not heard back from you.

Thank you.
