Hi Steve,

I've had to chase for WSCC Highways comments on your DOC application. I understand these were previously issued but never came to me. They have asked for a modification to the CMP to include that where the situation arises where a vehicle is required to reverse out of the site onto Chichester

Road, that this manoeuvre be undertaken with the use of a trained banksman. Could you amend the submitted Plan and email me a new copy. I can then issue the decision on all three conditions.

Kind Regards
