Dear Mr Neave,

Consultation from West Sussex County Council

Proposed variation of conditions 2 and 11 of planning permission WSCC/036/14/BE (BE/71/14/1ws) to increase throughput of waste from 30,000 tonnes per annum to 75,000 tonnes per annum and seek approval for minor changes to the site layout.

Elbridge Farm Bersted

Thank you for your recent application as above. I am able to inform you that this Authority **has no objection**.

The application proposed seeks a significant increase in the amount of materials to be processed on the land.

We have consulted our Environmental Health Team on the implications of the application but have yet to receive a response. This will be sent later when available.

No objection is raised to the proposal.

I trust this information is of assistance to you.

Yours sincerely

Neil Crowther
Group Head of Planning
