Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/44/25/PL
Site Address: Land adjacent to 21 Greencourt Drive Bersted PO21 5EU
Description of works: 2 x No. 2 bedroom detached bungalows with associated car parking and bin and bike stores (resubmission following BE/70/24/PL. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 11th May 2025 which has been recorded as an objection with the comments as follows:

OWPC76386

Our area is already over crowded with high traffic due being next to two schools and a social club, many houses with multiple cars. Extra traffic will cause more pollution in the immediate area. There will be loss of privacy for houses 17 to 23. The building designs are not in keeping with the look of the houses on the street and so will be an eyesore and ruin the look of the street. The building could have an impact on flooding, though I understand surveys have been done on flooding risks, we have however had low water fall in past winter, this may not be the case in the coming years and likely to be in line with past waterfall figures.

In light of the above we strongly object to the new buildings in our street. I hope the locals views are taken into account.

Your views as made above will be considered before the application is determined.
