Dear Sir/Madam,

**Town & Country Planning Act 1990 (as amended)  
Town and Country Planning (Development Management Procedure) (England) Order 2015**

**Application No:** BE/44/25/PL

**Site Address:** Land adjacent to 21 Greencourt Drive Bersted PO21 5EU

**Description of works:** 2 x No. 2 bedroom detached bungalows with associated car parking and bin and bike stores (resubmission following BE/70/24/PL. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 12th May 2025 which has been recorded as an objection with the comments as follows:

OWPC76421

I again object to the plans for two dwellings in Greencourt Drive. The land where the homes are planned backs directly onto my rear garden, my home will be impacted negatively by any building works as follows:

Noise, disruption, dust, lack of privacy during works/construction.

Once homes built:

1. Overcrowding of the local area
2. Impact on parking in surrounding residential roads, which is already difficult and further affected during school pick-up times by parents dropping off/picking up from local schools.
3. Lack of privacy to rear garden/being overlooked.
4. Additional pollution from noise, car fumes by cars driving to the back of their driveways close to gardens in Norbren Avenue and Greencourt Drive.
5. Style of bungalows out of keeping with the 1930s build of the other homes in the road.
6. Additional traffic in the area.
7. Additional risk of flooding, a water level has been performed this winter 2024/2025 despite this winter being low on rainfall.
8. Impact on house values and saleability of the homes immediately affected by these homes being built.

I absolutely object to these homes going ahead. I believe this has been now the fourth application to build homes on this land. In the meantime the unused land has been left to attract fly-tipping and looks a complete mess. The best option would be to re-landscape or make the land into a nature reserve - not a building site!

Your views as made above will be considered before the application is determined.
