Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/44/25/PL

Site Address: Land adjacent to 21 Greencourt Drive Bersted PO21 5EU

Description of works: 2 x No. 2 bedroom detached bungalows with associated car parking and bin and bike stores (resubmission following BE/70/24/PL. This application is in CIL Zone 4 and is CIL Liable as new dwellings.

Thank you for your internet representation made on 21st May 2025 which has been recorded as an objection with the comments as follows:

OWPC76629

We must object to this application in the strongest terms.

This location was not intended to be further built upon, when the original houses were built.

Any further dwellings in this area would cause extra traffic on an already busy road. There would be further congestion in the road at busy times of the day, causing increased range to children attending the local school.

Further development would be detrimental to the environment of the street and surrounding area - it was designed with a commonality of dwellings - these new buildings are not in keeping with the overall look of the area.

Building two 2-bedroomed bungalows in this space would encroach on the privacy of the neighbouring houses in Greencourt Drive and also the houses backing onto them in Norbren Avenue. We bought our house in good faith that it was gardens backing onto our home - we do not wish to be overlooked, have additional disruption to our living space caused by overcrowding or have the chance of extra planning permission submitted in the future to extend these bungalows with chalet - type extensions.

Thank you.

Your views as made above will be considered before the application is determined.
