Dear Sir/Madam,

You have provided advice on this application (your ref HSL-190405115222-186)

The applicant has asked me to convey that if the 60 limit condition is removed, and the bungalow is removed that they may end up with 64 units on the site and hence the number of units would not be likely to increase by 10%, which appears to be the threshold. On this basis, the applicant asks whether you would reconsider your "Advise Against" position?

Kind Regards
