ARUN DISTRICT COUNCIL			
No.	BE	47	09
SUPPLEMENTARY			
Received	15-7-9		

Dear Mrs Rodway

I enclose a copy of a letter I have received from our clients Drainage Engineers which reiterates and endorses the information provided under cover of our letter dated 10 July 2009 to the effect that Foul and surface water drainage issues relating to the site can be addressed by way of standard conditions as set out in the submitted Design & Access Statement.

This said I would confirm that the drainage ditch on the southern boundary (although outside the application site) is within our clients ownership and that a more detailed explanation as to the proposed strategy will be forwarded once it is received.

Regards

Paul Collins
