Dear Neil,

Site 6 – BRNRR – Application for Non-Material Amendments

Further to your recent discussions with Rob Westwood, we are pleased to enclose an application for non-material amendments to the Flood Compensation Area associated with the construction of the BRNRR, which comprises the following material:

- Application form for non-material amendments
- Application fee of £195
- Northern Relief Road Flood Compensation Area - drawing 2037/NRR/D/105 Rev D.

As explained by Rob, this amendment is sought now we are more certain of the level of excess material created by the construction of the Relief Road and accordingly, the amendments seek revised contouring of the levels around the FCA – the overall volume of which remains unchanged.

We trust the enclosed is self explanatory and we look forward to receiving confirmation in due course. If you require any additional information, please do not hesitate to contact me.

Yours sincerely,

Olivia Collett
