Dear Rachel,

I wanted to update you on your two applications. I'm afraid the Deed of Variation for BE/48/26/DOV has not been completed by our legal team which means that we can't determine BE/17/26/S73 or BE/48/26/DOV. I have chased up the legal team again and asked that this be prioritised.

Could I therefore ask for a further EOT for these two applications for **30/09/26**?

Please accept my apologies for this delay.

Kind regards

Simon

Dear Rachel,

In order that the determination date for this S73 is the same as the deadline for the Deed of Variation application (BE/48/26/DOV), please can you agree to an EOT for **27/08/26?**

Thanks

Simon

Dear Rachel,

As a s73 is a new permission, without the appropriate clause in the s106 agreement, this new permission would not be bound by this s106.

We have consulted with our legal team and they have confirmed that with the absence of this clause you will need a Deed of Variation before we can determine this s73.

Please can you agree to an extension of time for **7th August** for BE/17/26/S73.

I look forward to receiving your Deed of Variation application so we can resolve this matter.

Kind regards

Simon

Good morning Simon,

Apologies for missing your call. I appreciate the below update.

I understand there is case law establishing that a S73 consent was not bound by S106 permissions where it was found that the varied consent was implemented, not the original, and therefore the S106 was not binding on the implemented scheme.

However, we are seeking to reword a condition trigger, not amend the scheme in anyway, so I believe we are still implementing the scheme bound by the S106 Agreement.

Of course I will defer to the conclusions of our respective legal teams on this though and seek advice from our solicitor.

I await confirmation of your position and will be happy to agree to a formal of extension time to allow for this to be firmed up.

Kind regards,

Rachel Ballam

Hi Rachel,

I tried calling you, but wanted to give you an update on your S73 application:

Variation of condition 20 following approval of BE/148/20/OUT relating to rewording of condition.

Unfortunately we were not able to issue the decision for your application yesterday because when we reviewed the s106 agreement, we could not see a clause which allowed future S73 application to be determined under this agreement. In the absence of this, a deed of variation would be required.

I will confirm our position on this shortly, but wanted to update you in the interim.

Thanks
