Dear Mrs Chapman,
with reference to your e-mail with regard to front dormer, The front dormer can be removed from application and only back dormer to stay as it is. will you please accept this as confirmation that the front dormer to be disregarded, so permission can be granted.

Kind regards
Farhad Aarabi

Dear Mr Aarabi,

I have visited the site in relation to the above loft conversion. Whilst I have no objection in principle to the loft conversion with alteration to the roof the front dormer is not considered acceptable. There is the absence of front dormers in the surrounding street which are characterised by properties of similar style and design.

Would it be possible for the front dormer to be removed from the application.
