Dear Emily,

I have no objections to the proposals and am minded to support. The comments of Bersted Parish Council are still outstanding but we do not need these to determine the application. However, in view of the current workload within the team, I would suggest that I will need extra time to issue a decision. I would be grateful if you could agree to an extension of time until the 6th July. This is the same approach I am taking with my 85 other applications.

We are in the process of appointing extra staff and this should reduce caseloads and speed up decision making.

Kind Regards

Dear Simon,

I hope you had a good break.

I was wondering if you have had the chance to review the above application, and have any comments which may need to be addressed?

I look forward to hearing from you.

Kind regards,

Emily
