Dear Richard,

I accept the extension of time but could I please have an update of where you are with determining this application?

Kind regards

Emily

Subject: FW: Extension of time for application BE/50/18/A - signage Bognor Regis retail signage

Dear Miss Disken,

Further to our telephone conversation of the 03/07/2018, I am requesting an extension of time until the 13th July 2018 for application ref: BE/50/18/A - signage Bognor Regis retail signage. I understand an extension of time until the 6th of July has already been given to my colleague (the original case Officer .) I also understand the length of time we have had the application and will endeavour to determine the application before the 13th July. I am new to the Local Authority and have been given a large number of over time applications, some of which are older than this application. As such the requested extension of time would enable me the time to realistically determine the application.

I hope to hear from you by replay to this email regarding the requested extension of time.

Yours sincerely
