Ref: BW/50/19/HH
22 Clydesdale Gardens
Bognor
PO22 9BE

6th June 2019

The property is a semi-detached two storey family home close to North Bersted Conservation Area.

The applicant wishes to build a loft conversion with a rear dormer. The barn end of the property will be reduced slightly (See proposed drawing showing existing and proposed roof line to improve the head height internally. There will be two velux windows in the front elevation of the roof.

The materials to be used will match the existing and thus we do not feel that there will be an adverse impact on the appearance of the property or any effect on the character of the property or the Conservation Area.
