Hi Hannah

Just to confirm our conversation so we have a paper trail aswell

The phone call and this email is notifying you that works have commenced at my property, building control notice is in place and was confirmed by Lisa Adams yesterday, I will send you some photos

I understand you are not my case officer but you were my last resort because Amber is away until the 28th May and no one from planning called me back and you said that you would log the work has commenced prior to my planning application expiring

Thankyou for your help once again.

Regards
Gary
