Hi Louise,

Thank you for this. I would imagine that our ecologist can turn around a response fairly quickly. However, I have no time to devote to this determination until August. I am also required, in accordance with Section 2 of the Neighbourhood Planning Act, to notify the Parish (where there is a made Neighbourhood Plan) of any changes to an application. I have to give the Parish 21 days to comment. It would be of great help if you could provide an extension until the 6th of August.

Kind Regards
