Dear Louise,

I've been on holiday for a week and am now even further behind. I'm trying to catch up with emails, messages, visits etc. I will diarise to contact you next week with an idea of when I might be in a position to determine the application. However, I can confirm that there were no issues raised by our ecologist.

Kind Regards

Subject: Springfields

Dear Simon,

As I understand the council's decision is due next Monday regarding the application for a new dwelling at Springfields. When we last spoke, you advised that the council were looking to recommend approval, but this depended on the outcome of the ecology survey. As I understand no major issues were raised in the ecology report.

Therefore, can you please advise the councils current position regarding the application and if permission is expected to be granted next week. Alternatively, if there are any further issues if you can please let me know immediately so I can look into these before next week.

I look forward to hearing from you at your earliest convenience.

Kindest regards,
Louise.
