Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/52/20/HH
Site Address: 3 Berghestede Road Bersted PO22 9QR
Description of works: Loft conversion and ground floor side extension.

Thank you for your internet representation made on 7th August 2020 which has been recorded as an objection with the comments as follows:

OWPC28875

Whilst I do not object to the conversion and the extension to the side of the property. I do object to the dormer windows that will overlook my property and have an impact on my privacy. I do not see why the dormer windows could not be sited on the front elevation {west}, where no one will be overlooked as there is a road with a greensward opposite. If there is a justifiable reason for the windows being at the rear of the property, Velux windows should be used.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.
