Jack,

All of these amended plans need to have a different edition or revision number, otherwise our decision notice will show us approving the plans as they first came in. Would you be able to do this?

Dear Jack,

Have spoken to my Team Leader about this scheme. We are of the view that the amendment to the roof to reduce the impact on Mitcheley is acceptable in terms of impact on residential amenity.

Would you be able to supply and amended sheet 1/1 as well please as the roof layout will change.
