David,

Thank you for sending the CEMP appendix drawing showing the proposed phasing of the development. The Highway Authority has no objections to these proposals and therefore no objections to the discharge of condition 13 of planning permission BE/142/15/OUT.

Hi Steven,

Please find attached colour version of the CEMP appendix drawing. It appears this was black and white due to the blocking process undertaken by our scanning team.

Does this address the issue concerning condition 13 or would you like for me to request a separate plan from the developer?

Many thanks,
David
