Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/59/21/PL
Site Address: 339 Chichester Road Bersted PO21 5AN
Description of works: Replacement of blockwork boundary wall with fence and new vehicular access (resubmission of BE/149/21/PL).

Thank you for your internet representation made on 7th May 2021 which has been recorded as an objection with the comments as follows:

OWPC35840

The lack of visibility due to the sighting of the proposed access on a bend would cause risk to pedestrians and other road users. Also the proposed entrance is opposite another junction. Bedford Avenue is a busy road at certain times of day and is used by pedestrians from local area to get to the Tesco Express. School children use lane opposite on foot and on bikes which is an additional risk. Bedford Avenue is used as a shortcut by motorists, sometimes at speed, when the B2259 is slow. For children who scoot on the pavement around the bend would not see or be prepared for a vehicle exiting from the side of this property where there has never been a drive before. The current fence around the property is too high for a vehicle to pull out safely onto the pavement. The property already has ample parking at the front which is never full. I can see no valid reason for this application to be granted with so many obvious risks to the public.

Your views as made above will be considered before the application is determined.
