Subject: Planning Application BE/59/21/PL

Dear Mr Gardner

I wish to make an objection to a planning application. Unfortunately I've been unsuccessful in accessing the necessary form. Please would you submit the below objection for the Planning Application BE/59/21/PL for 339 Chichester Road PO21 5AN

Thanking you

Yours sincerely '

Objection

The proposed application is on a curve. Where the traffic off the Chichester Road comes into Bedford Ave too often at an increased speed. Together with the parked vehicles and traffic from the other direction is an accident waiting to happen.

Bedford Ave is throughout the day used by pedestrians, parents with young children, children on bikes, scooters or skateboards; the disabled requiring mobility aids, again placing them at risk of traffic reversing in or out.

Bedford Ave is an already busy road with parked cars. The company vans and employees vehicles around No339 proposed back entrance limits visibility.
