Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BE/59/21/PL
Site Address: 339 Chichester Road Bersted PO21 5AN
Description of works: Replacement of blockwork boundary wall with fence and new vehicular access (resubmission of BE/149/21/PL).

Thank you for your internet representation made on 2nd June 2021 which has been recorded as an objection with the comments as follows:

OWPC36993

In response to the WSCC Highways consultation what they have advised is utter nonsense and disregards any common sense toward the safety of the public in favour of an Applicant whos only concern is making financial gain in the future. Visibility was not shown on the plans which showed the Vehicular Crossing in the wrong place. As this was advised using those plans which gave a more favourable visibility distance this advisory is flawed.

WE demonstrated to the Bersted Parish Council exactly how little visibility is available and it is no where near the required distance of 43 mtrs.

No provision has been made in the plans regarding turning or space to park more than one car. In his Application he is applying for 1 space. He has 4 spaces at the front of the property already.

He also hasn't included any information about extending the 3m of concrete hard standing he currently has nor mentioned the current hard standing is to small and impermeable.

All in all this adisory from WSCC Highways is based on inaccurate plans submitted within an application that doesn't fully include the details for what WSCC Highways are suggesting.

A full review on how Highways issued the licence and the outstanding issues are considered this should be rejected.

Your views as made above will be considered before the application is determined.
