Subject: BE/60/15/PL - Demolition of existing dwelling & erection of 8 No. three bedroom dwellings with new access & car parking

Hi Simon

I have amended the drawings to split plots 5 and 6 to detached units. I attach revised drawings for inclusion as amendments to the application.

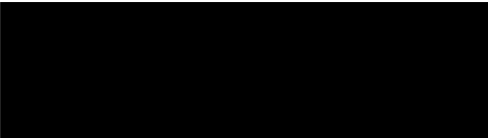

I have also read the comments from highways. A fire engine and refuse truck will need to enter the site and I have shown the turning of the vehicle on the site plan. Can you let me know if they actually want a full tracking plan showing the truck from Bucksham Avenue into the site and out as I will have to get my highways guy to do this with specialist software

Finally I have my ecologist doing a report so hopefully this will be submitted in a week's time.

Regards

Philip Dudley
