Hi Simon,

I hope that you are well.

I am writing on the above development to ask if you have any news on the DOC application for the above site. I am sorry to chase but my client is keen to commence on site before the expiration of the original planning consent - 3 July 2019. I notice that the drainage engineers have accepted the submitted surface water drainage details on 31 May which is the Condition that is most urgent.

Thanks Simon, I know you are busy but I would be really grateful if this can be sorted as soon as possible.

Kind regards,

Chris Moore
