Comment from Greenspace

The Drawings submitted under application BE/61/17/DOC Proposed landscape Plan 120096 31 28/04/17 2 of 2 provide good detail regarding species choice being proposed, however these drawings need to detail actual numbers being proposed rather than just planting densities. We would request that this information is submitted for approval therefore we would not recommend the discharge of Condition 14 landscaping on application BE/61/17/DOC imposed under BE/60/15/PL until this additional information is submitted and approved.
