Dear Mrs. Chapman

Further to our telephone conversation on 5.8.14 at 9.30am I can confirm that I will be starting the work on the garage on the 18.8.14.

When the ground work to the garage - concreting, brickwork etc is out of the way I will then be starting the drive and gateway. Please ring me at any time if you wish to take a look at the works.

Yours sincerely,

Martin Grainger
